

Agape Children's Village

Bringing some GOOD news to you from ACV. God is doing a great work on the ground and in the lives of these young children. Thank you for your continued support through prayer and your resources. God is raising up mighty warriors for His kingdom from these young men and women that He has brought to us to care for.

NEW COUCHES FOR THE HOMES!!!!

A DESPERATE NEED FOR SOME NEW FURNITURE

This was an exciting day. A day that we got to remove all the OLD furniture and bring in the NEW. God has provided new couches for the sitting rooms in six homes. This was a day of rejoicing. A generous donor gave monies to bless these kids and the mommas with new furniture. Thank you Jesus for your faithful provision!

The young boys carrying the new furniture into all the houses.

A generous donor provided enough funds to make sure that each home was given a new three piece couch.

BIBLES FOR ALL THE KIDS & STAFF!!!

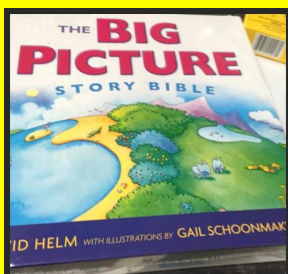

All these totes loaded with Bibles and supplies to bring to our loved ones at ACV

All kids in the lower primary grades were given an Adventure Bible.

Loading up the Bibles to take to Uganda

The Big Picture Bible for the toddlers.

This incredibly beautiful leather study Bible was given to all kids in secondary school. All ACV staff received one as well.

Bibles in the hands of the KIDS!

YOUTH CAMP! Our 3rd annual high school retreat was a huge success!!

We brought almost 60 kids away for an intense, beautiful time with the Lord. This year's theme for the retreat was "Be Unashamed". We were taught powerful messages from the book of Romans. Our teachers were Aaron Cronen, from

The Bridge, Jacques Masiko, the director of ACV, and Azarias Nelson Kibaya, the asst. director of ACV. We all experienced God's powerful work in our lives as He met with each of us in intimate ways. For most of the kids and staff that attended the camp, it brought healing, refreshment, renewal and a new passion to follow hard after Jesus. A special thank you to all the donors who made this

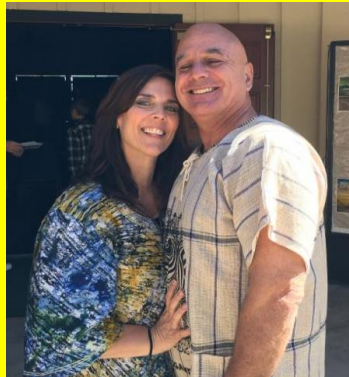

camp happen. It is a costly endeavor but so worth the money invested. The investment you made will go on throughout eternity in these kids lives.

NEW MOSQUITO NETS FOR EVERYONE!!!

Thank you Jesus for providing, long overdue, mosquito nets for each and every child at ACV. We can testify that God is the provider for all that we need. He is our good Daddy and His resources never run dry.

We give Him all the praise, glory, and honor due His name for all that He does for these beloved children.

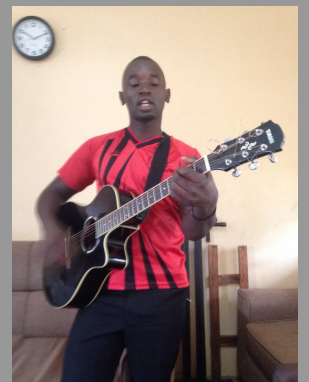

THE BALLI'S ARE BEING CALLED TO ACV TO SERVE!!!!

Keep the Balli's in your prayers as they leaving on November 29th to join the ACV team. The Lord has made it very clear that they are to go and help at the orphanage for a few months. They are excited about what God has in store for them as they serve along side the staff that God has built. Continue to keep up with their journey on the acv website blog.

THE BEGINNINGS OF A CHILDREN'S CHOIR

We are just in the 'baby' stages, but we have begun to train, develop, and work with these kids musically. We have hired a new young man to the ACV team. He comes with incredible experience and a ton of God-given gifts to be able to train these kids to sing, play instruments, and perform cultural dance. Welcome, Ronald Kizza, to Agape Children's Village. Please be praying for what the future is for Agape Kid's Choir

CALLING ALL SPONSORS!!!!!! IT'S CHRISTMAS TIME AGAIN.

Christmas in Uganda! People return to their villages to be with relatives. Christmas is a time of food and family. The Ugandans will work extra hard during this season to be able to provide meat and good eats for their families. The main focus at Christmas time for a lot of Ugandans is attending church. Some will go on Christmas Eve and many will attend for hours on Christmas Day. It's hard to find a seat in most churches on Christmas Day. Uganda's spend this holiday with their family, friends, neighbors - spending good quality time together. But, unfortunately for many children in Uganda - - they won't get a special meal, or a new outfit, or have a family to love them, or even feel welcomed into a church. But for the ACV children, THEY HAVE SPONSORS!!!! These kids KNOW they are loved by God and by their sponsor. Thank you for making an impact in the life of a child.
