CELEBRATING SUCCESS

One of our ACV kids has made us proud. *Amongin Esther* has just graduated with a certificate in Early Childhood Development. Esther has already obtained a job as a teacher, at Tendo Learning Center. Her future is bright!

VISITS FROM OUR FRIENDS IN CALI

We had a great time of ministry with the team from The Bridge in Palm Springs, California. We were all astonished at all God did while they were here. We saw scores and scores of kids get saved as they did five Children's Ministry outreaches from Bukerereto Iganga (out East). They were also involved in many other outreaches: Marriage Conference, Pastor's Conference, and Community Youth Outreach. We also have to acknowledge that the kids at ACV are always blessed by this team and we are very grateful that they come and visit us. Job well done team!!! You are welcome back to ACV anytime. We are waiting for you.

Please be praying as we will be going outlooking for the right vehicle at the right price. We want to make a wise choice
